SOMETHING FOR EVERYONE

K-State’s residence halls provide many different living options. Traditional spaces include doubles and triples with a community bathroom. Students who live in traditional-private rooms share a bathroom with a bank of sinks and five lockable, individual bathrooms with a sink, toilet and shower. Suites offer amenities such as private bathrooms and carpet, and accommodate one to four occupants. A limited number of small single rooms with a community bathroom also are available. Singles and suites carry an additional charge, and may not be available in every hall.

Each hall has a laundry facility and 24-hour front desk service. With an appropriately configured device, residents have network access by either wired or wireless connection.

Academic success and the overall student experience are priorities at K-State, and Housing and Dining Services goes to great lengths to ensure the optimal living experience.
STUDENT SUCCESS FOCUS

Derby Dining Center is home to a student success center in which students can take advantage of computer stations, reservable meeting space, printing and more to enhance their collegiate experience.

DERBY COMMUNITY

Ford, Haymaker, Moore and West Halls

With more than 1,900 residents, Derby is the largest housing community at K-State and is close to the academic buildings on the east side of campus. The residence halls are connected to Derby Dining Center by enclosed hallways for convenient access. The dining center serves as the location for our Residential Networking (ResNet) Help Desk and delicious desserts from The Bakery. Quik Cats convenience store at Moore Hall is an added benefit.

KRAMER COMMUNITY

Goodnow, Marlatt and Wefald Halls

Kramer is located on the west side of campus and is home to more than 1,700 students. Skywalks connect Goodnow and Marlatt to the new, state-of-the-art Wefald Hall and Kramer Dining Center. Kramer Community residents have access to a sand volleyball court and are conveniently located near the engineering, biology and mathematics buildings on campus.

STRONG COMMUNITY

Boyd, Putnam and Van Zile Halls

Strong is south of Derby on the east side of campus. It’s home to more than 550 students and offers a billiards room, several lounges, Van Zile Dining Center and Quik Cats at Van Zile. The three halls are connected by enclosed walkways, and feature an outdoor basketball court.

RESIDENTIAL LIVING

Ten residence halls, a leadership/scholarship house and a house for honors students.

LEADERSHIP OPPORTUNITIES

- Association of Residence Halls
- National Residence Hall Honorary
- Hall Governing Boards
- Housing and Dining Ambassadors
- Resident Assistants
- Student Success Ambassadors
- Community Assistants
- Residential Learning Assistants
  ... and more!
One interest, endless connections

This is you

This is your CAT Community

STRENGTHS

LEAD 212: INTRO TO LEADERSHIP CONCEPTS

LEAD 195: STRENGTHS

SOCIO 211: INTRO TO SOCIOLOGY

Within our Connecting Across Topics (CAT) Communities, you learn together with 21 other first-year students, are taught by an expert faculty member, and a Learning Assistant (an experienced student who has taken the course before) helps you throughout your first year.

RESIDENTIAL CAT COMMUNITIES

Some of our CAT Communities are Residential. So, in addition to taking classes together, you will live, eat, sleep, study, and socialize near each other, too! Students in each CAT Community will live in the same hall or campus community, along with their Residential Learning Assistant.
THE AMERICAN STORY
Find out what life was like for average Americans from the colonial period through the end of the 19th century in this highly interactive course that reveals not only the facts about periods in America’s past, but the feel of life in those times as well. Location: Derby Community

Honors House is a coeducational community for members of the University Honors Program. It houses approximately 55 students in a renovated residence hall just west of campus.

The house provides a focused living environment for students with a passion for learning. The UHP encourages students to reach their full potential through cultural and performing arts events, skill-development workshops, travel opportunities and challenging coursework. A main goal of the program is to enable students to develop intellectual curiosity about the world, its wonders and its complexity.

ELIGIBILITY REQUIREMENTS

Admission into the Honors House requires a pre-application and approval process. Students who wish to live at the Honors House must be active participants of the University Honors Program.

All students interested in elevating their educational perspectives should apply for the UHP. While other extracurricular activities are considered, general requirements include a high school GPA of 3.75 and an ACT score of 28 or above. Transfer students are eligible for the program if they have a minimum GPA of 3.5 from their previous school(s) based on at least 15 credit hours. UHP students are expected to complete 15 to 16 honors credits and an honors project.

More information about the UHP and applying for space in the Honors House can be found at housing.k-state.edu. Priority consideration will be given to students who complete the residence hall contract and the additional Honors House housing application by March 1.
Smurthwaite Leadership/Scholarship House provides an opportunity for women to develop leadership skills in a smaller community of about 46 students. Smurthwaite residents pay lower room and board rates in exchange for participation in leadership programming and contribution to kitchen and house-related duties each week.

Residents participate in a wide variety of activities and events that emphasize education, diversity and community service.

**ELIGIBILITY REQUIREMENTS**

Residents must:

- Be an involved and responsible member of Smurthwaite Leadership/Scholarship House and K-State.
- Attend the Smurthwaite women’s leadership retreat and house procedure training at the beginning of each semester.
- Maintain a 3.0 cumulative GPA.
- Join at least one student organization on the K-State campus.
- Assist in arranging or presenting at least one educational program during the academic year.
- Attend Smurthwaite sponsored nonsocial programs.
- Attend community or campus educational and/or cultural programs.
- Be involved in at least four community-service learning projects per year, including the house philanthropy.
- Complete house duty requirements.
- Participate in fundraising projects for the house.

The four pillars of Smurthwaite are friendship, leadership, service and scholarship.

To apply and find more information about Smurthwaite, visit [housing.k-state.edu](http://housing.k-state.edu).

On-campus housing options at K-State include apartment-style living at Jardine Apartments. Jardine positively impacts residents' lives through educational and social development while providing a safe, comfortable and affordable home.

The apartments are located on the northwest side of campus, steps away from the recreational facilities and athletic complex. Many buildings have been recently built or renovated. Jardine is affordably priced and competitive with off-campus living options. Residents have access to many amenities and services, including wireless Internet, trash, water and laundry. Four playground areas, covered picnic locations, a basketball court and a pond area create opportunities for outdoor community living.
**HOW DO I KNOW JARDINE IS RIGHT FOR ME?**

Residents of Jardine are undergraduate and graduate students, who are single students, married couples and families.

- Jardine has nearly 800 unfurnished apartments featuring 90 different floor plans. Options include 1-, 2-, 3- and 4-bedroom apartments, as well as studios, lofts and town houses. Units are filled on a first-come, first-served basis.

- Residents are not required to purchase a meal plan, but one is available should they wish to eat in the dining centers on campus. Meal plans available are: Jardine 50, Jardine 100 and Jardine All Access.

- A trained professional staff, as well as 24-hour maintenance crew, is available to assist residents.

Our award-winning dining program offers a wide range of nutritious foods through a choice of meal plans, as well as 10 retail operations to accommodate residents’ diverse backgrounds and busy lifestyles.

A particular point of pride for us is our farm-to-fork program which has allowed us to purchase all hamburger patties, steaks, beef roasts, fajita meat and other products (when available) from Weber Hall on campus. All cow’s milk comes from the USDA-inspected dairy processing plant at Call Hall. Local, seasonal produce is offered as well whenever possible.

“Cultivate You” is a new Dining Services program that promotes wellness, sustainability and community through the food & services provided. Each month we’ll feature local produce, whole grains, diverse beverages, ethnic cuisines and more!
DERBY DINING CENTER
Derby Dining Center, named after Reference Librarian Grace Derby, serves the students who live in Ford, Haymaker, Moore and West residence halls. Derby, aka “The Derb,” is home to The Bakery, which specializes in made-from-scratch cinnamon rolls, brownies, cookies and even birthday cakes.

KRAMER DINING CENTER
Kramer Dining Center, which serves the students who live in Goodnow, Marlatt and Wefald residence halls as well as the Honors House, was named in honor of Home Economics Professor Martha Kramer. A brand new Kramer Dining Center opened in 2016. Designed to encourage a community dining experience, Kramer offers the same nutritious, from-scratch meals we’re known for but in a modern, multi-platform setting.

VAN ZILE DINING CENTER
Van Zile Dining Center serves the students living in the Strong Community: Boyd, Putnam and Van Zile residence halls. Domestic Science Professor Mary Van Zile is the namesake of this historic limestone building located on the east side of campus. The dining center’s food court design and smaller, homelike environment is popular with its residents.

MEAL PLAN FINGER SCAN
Residents enter our dining centers using a biometric screening process. This system will scan their finger and match it with their ID Card, then deduct a meal from their meal plan. How it works: A random number sequence, which identifies a finger’s pressure points, will be tied to students’ ID. These numbers are only applicable to our system, and no image of an actual fingerprint is stored. Their K-State ID does serve as a meal card and can also be used to gain access.
JP’S SPORTS GRILL

Housing and Dining Services recognizes the importance of being good stewards of the Earth — and residents’ dollars. Here are a few highlights of our efforts to promote sustainability in our operations and lessen our impact on finite natural resources.

- Simple, ongoing upgrades to our apartments, residence halls and dining centers have resulted in a savings of hundreds of thousands of dollars and a substantial reduction in fossil fuel and water consumption.
- During fall 2017 move-in, K-Staters recycled 7.54 tons of recyclable material, which comprised of cardboard, paper products, plastic material No. 1-7 and aluminum cans while only 4.5 tons went to the landfill.
- The Jardine Marketplace building, which includes JP’s Sports Grill, Quik Cats and Cornerstone Coffee & Bakery, received a LEED Gold certification in recognition of its many innovative sustainability features.
- Recycling is easy with the many one-stop drop bins located in each community. Move-in and move-out recycling programs and resources successfully redirect many tons of material away from the landfill.
- Dining Services’ composting program earned K-State a Food Recovery Challenge Award from the Environmental Protection Agency Region 7.
- Dining Services’ Farm to Fork initiatives allow it to source its beef and other meat products (when available) from Weber Hall on campus. Cow’s milk for drinking and use in our recipes is purchased from the dairy processing plant at Call Hall. Our baked goods are made with flours from wheat milled locally in McPherson, Kan., by Cereal Food Processors. We also purchase local, seasonal produce when possible.
HOW TO APPLY
RESIDENCE HALLS

THE PROCESS

• Complete the online application (Sept. 15, 2017)
  Submit $30 non-refundable fee

• Complete online contract (Nov. 1, 2017)
  Indicate CAT Community interest
  Select break or summer housing supplemental agreement
  Make initial roommate selections
  Pay $400 initial payment

• Explore Your Options
  Research your living options and use cost comparison sheet to determine best experience
  Use RoomSync to find roommates if you haven’t already identified them.

• Choose Your Experience (late spring)
  Pick your room
  Students who have committed to a Residential CAT Community choose first. Otherwise, room selection times are based off contract completion date.

• After selecting a room and meal plan, students will know the exact cost for their room and an exact cost for their meal plan.

• Students may cancel for a full refund until June 1
  $200 cancellation fee June 2 to Aug. 17
  40 percent of remainder of contract after Aug. 17

• Changes can be made inside Resident Portal until July 1, 2018.
  These include changes to hall, room, roommate(s) and meal plan.

We recommend getting in touch with your roommate to get to know each other and to coordinate what to bring—you don’t want to end up with two microwaves or TVs!

WELCOME HOME

Residence halls open for occupancy in late August. Review your contract for move-in dates and times. We’re happy to have you!

STATEMENT OF DIVERSITY

Kansas State University’s Department of Housing and Dining Services is dedicated to creating a culture that welcomes and embraces students from all backgrounds. By constructing meaningful dialogs and educational programming within our on-campus communities, we strive to engage students and staff members in the exploration and celebration of identities that align with — as well as differ from — their own. Through our continued efforts, it is our mission to enable students and staff alike to develop greater cultural competence in order to foster communities of justice and inclusive excellence.

STUDENT LIVING MISSION

We will support students by engaging in collaborative relationships that encourage scholarship, community and self-discovery. By creating intentional environments of quality and care, we will enable students, faculty and staff to achieve excellence.
