

# Housing and Dining Student Ambassador 2018-2019

## Due: Sept. 17th

## Application and Description:

**Thank you for your interest in the 2018-2019 Housing and Dining Ambassadors Team!** As an Ambassador you have the opportunity to play a significant role in the recruitment of future K-State students. Kansas State University does not require any of our students to live on campus, and as a result the Department of Housing and Dining Services is committed to the recruitment of prospective students and retention of current students in our on-campus communities.

As a Housing and Dining Ambassador, you will be involved in a variety of recruitment and retention efforts, including:

- Open House
- Information tables at Junior Days and Senior Days
- Student and Parent presentations
- Representation on student panels
- Hall Tour Team coordination in individual halls
- At least one on- or off-campus recruitment event
- Other opportunities that arise

The Housing and Dining Ambassadors program provides a unique *leadership opportunity* for you as a current student. The Housing and Dining Ambassadors program is important to the Department of Housing and Dining Services because it ensures that prospective and current students and their families will receive consistent and accurate information pertaining to our dining services, the residence halls, and the Jardine Apartment community. This program also provides an excellent way for prospective students to hear from current students what living in the residence halls and/or the Jardine Apartment community is all about.

While much of the Ambassador experience relies on your willingness to share your positive residence hall and/or Jardine Apartment community experiences, there are a few added benefits, including:

- Housing and Dining Ambassador clothing and name-tag
- Opportunities to represent the Department of Housing and Dining Services
- Interactions with a diverse range of people
- Marketable skills and experience
- And much, much more

---

**To apply for the Housing and Dining Ambassador position, you must meet the following qualifications:**

- ✓ You must currently live in the residence halls or in Jardine Apartment community for Fall 2018
- ✓ Carry a minimum 2.5 cumulative GPA and in good academic standing with the university
- ✓ Willingness to develop effective communication and presentation skills
