# ADVANTAGES OF LIVING ON CAMPUS

## SUCCESS
On-campus students tend to have higher GPAs.

## CONVENIENCE
Four convenience stores, a restaurant, a bakery and two coffee shops are on site; class and practice are close by.

## PEACE OF MIND
Our secure, card-accessible buildings offer staff on duty and 24-hour maintenance assistance.

## VALUE
Furnished rooms are available in the residence halls with a variety of room types and rates to meet individual needs.

## COMMUNITY
We were ranked #16 on “Best College Dorms” by the *Princeton Review: 2020 Edition*. Join a diverse group of residents who are integrated deeply into campus life.

K-State's residence halls provide many different living options. TRADITIONAL spaces include doubles and triples with a community bathroom. Students who live in TRADITIONAL-PRIVATE rooms share a bathroom with a bank of sinks and lockable, individual bathrooms with a sink, toilet and shower. SUITES offer amenities such as private bathrooms and carpet, and accommodate one to four occupants. A limited number of small single rooms with a community bathroom also are available. Singles and suites carry an additional charge, and may not be available in every hall.

Each hall has a laundry facility and 24-hour front desk service. With an appropriately configured device, residents have network access by either wired or wireless connection.

ACADEMIC SUCCESS AND THE OVERALL STUDENT EXPERIENCE ARE PRIORITIES AT K-STATE, AND HOUSING AND DINING SERVICES GOES TO GREAT LENGTHS TO ENSURE THE OPTIMAL LIVING EXPERIENCE.
STUDENT SUCCESS FOCUS
Kramer Dining Center is home to a student success center in which students can take advantage of printing services, reservable meeting space and more to enhance their collegiate experience.

DERBY COMMUNITY
Ford, Haymaker, Moore and West Halls
With about 2,000 residents, Derby is the largest housing community at K-State and is close to the academic buildings on the east side of campus. Derby Dining Center will be under renovation during the 2019-2020 academic year. While the dining center will still be open during the renovation, pathways around and through it—as well as connected residence halls—may be impacted throughout the process. Quik Cats convenience store at Moore Hall is an added benefit.

KRAMER COMMUNITY
Goodnow, Marlatt and Wefald Halls
Kramer is located on the west side of campus and is home to more than 1,700 students. Skywalks connect Goodnow and Marlatt to the recently built Wefald Hall and Kramer Dining Center. Kramer Community residents have access to a sand volleyball court and are conveniently located near the engineering, biology and mathematics buildings on campus.

STRONG COMMUNITY
Boyd, Putnam and Van Zile Halls
Strong is south of Derby on the east side of campus. It’s home to more than 550 students and offers a billiards room, several lounges, Van Zile Dining Center and Quik Cats at Van Zile. The three halls are connected by enclosed walkways, and feature an outdoor basketball court. Boyd Hall will be closed for renovations during the 2020-2021 academic year.

RESIDENTIAL LIVING
Ten residence halls, a leadership/scholarship house and a house for honors students.

Honors House is a coeducational community for members of the University Honors Program. It houses approximately 50 students in a renovated residence hall just west of campus.

The house provides a focused living environment for students with a passion for learning. The UHP encourages students to reach their full potential through cultural and performing arts events, skill-development workshops, travel opportunities and challenging coursework. A main goal of the program is to enable students to develop intellectual curiosity about the world, its wonders and its complexity.

More information about the UHP and applying for space in the Honors House can be found at housing.k-state.edu. Priority consideration will be given to students who complete the residence hall contract and the additional Honors House housing application by March 1.
Smurthwaite Leadership/Scholarship House provides an opportunity for women to develop leadership skills in a smaller community of about 46 students. Smurthwaite residents pay lower room and board rates in exchange for participation in leadership programming and contribution to house-related duties each week.

Residents participate in a wide variety of activities and events that emphasize education, diversity and community service.

Smurthwaite Leadership/Scholarship House

ON-CAMPUS HOUSING OPTIONS AT K-STATE INCLUDE APARTMENT-STYLE LIVING AT JARDINE APARTMENTS. JARDINE POSITIVELY IMPACTS RESIDENTS’ LIVES THROUGH EDUCATIONAL AND SOCIAL DEVELOPMENT WHILE PROVIDING A SAFE, COMFORTABLE AND AFFORDABLE HOME.

The apartments are located on the northwest side of campus, steps away from the recreational facilities and athletic complex. Many buildings have been recently built or renovated. Jardine is affordably priced and competitive with off-campus living options. Residents have access to many amenities and services, including wireless Internet, trash, water and laundry. Four playground areas, covered picnic locations, a basketball court and a pond area create opportunities for outdoor community living.

For more information about Jardine Apartments, visit housing.k-state.edu/living-options/apartments.
HOW DO I KNOW JARDINE IS RIGHT FOR ME?

JARDINE RESIDENTS ARE UNDERGRADUATE AND GRADUATE STUDENTS WHO ARE SINGLE, MARRIED OR HAVE FAMILIES.

Jardine has nearly 800 unfurnished apartments featuring 90 different floor plans. Options include 1-, 2-, 3- and 4-bedroom apartments, as well as studios, lofts and townhouses. Units are filled on a first-come, first-served basis.

Residents are not required to purchase a meal plan, but several are available should they wish to eat in the dining centers on campus. Meal plans available are the Jardine 50, Jardine 100 and Jardine All Access.

A trained professional staff, as well as 24-hour maintenance crew, is available to assist residents.

Kansas State University Dining Services promotes a healthy lifestyle and provides nutritional information to students. Dining centers offer a wide selection of foods including low-calorie and nutrient-dense options.

The Nutrition Now program includes pointers on how to make better food decisions and how to improve quality of life, as well as resources to enhance and increase nutrition and well-being.

Registered and licensed dietitians are available at all dining centers to assist on-campus students with nutritional choices and special diets.

Our award-winning dining program offers a wide range of nutritious foods through a choice of meal plans, as well as 11 retail operations to accommodate residents’ diverse backgrounds and busy lifestyles.

A particular point of pride for us is our farm-to-fork program which has allowed us to purchase all hamburger patties, steaks, beef roasts, fajita meat and other products (when available) from Weber Hall on campus. All cow’s milk comes from the USDA-inspected dairy processing plant at Call Hall. Local, seasonal produce is offered as well whenever possible.

“Cultivate You” is a new Dining Services program that promotes wellness, sustainability and community through the food & services provided. Each month we’ll feature local produce, whole grains, diverse beverages, ethnic cuisines and more!

MEAL PLAN FINGER SCAN
Residents enter our dining centers using a biometric screening process. This system will scan their finger and match it with their ID Card, then deduct a meal from their meal plan. How it works: A random number sequence, which identifies a finger’s pressure points, will be tied to students’ ID. These numbers are only applicable to our system, and no image of an actual fingerprint is stored. Their K-State ID does serve as a meal card and can also be used to gain access.
DERBY DINING CENTER
Derby Dining Center, named after Reference Librarian Grace Derby, serves the students who live in Ford, Haymaker, Moore and West residence halls. Derby Dining Center will be under renovation during the 2019-2020 academic year. It will remain open during renovation and completion is expected in fall 2020.

KRAMER DINING CENTER
Kramer Dining Center, which serves the students who live in Goodnow, Marlatt and Wefald residence halls as well as the Honors House, was named in honor of Home Economics Professor Martha Kramer. A brand new Kramer Dining Center opened in 2016. Designed to encourage a community dining experience, Kramer offers the same nutritious, from-scratch meals we’re known for but in a modern, multi-platform setting.

VAN ZILE DINING CENTER
Van Zile Dining Center serves the students living in the Strong Community: Boyd, Putnam and Van Zile residence halls. Domestic Science Professor Mary Van Zile is the namesake of this historic limestone building located on the east side of campus. The dining center’s food court design and smaller, homelike environment is popular with its residents.

Housing and Dining Services recognizes the importance of being good stewards of the Earth — and residents’ dollars. Here are a few highlights of our efforts to promote sustainability in our operations and lessen our impact on finite natural resources.

**SUSTAINABILITY**

Simple, ongoing upgrades to our apartments, residence halls and dining centers have resulted in a savings of hundreds of thousands of dollars and a substantial reduction in fossil fuel and water consumption. During fall 2019 move-in, K-Staters recycled 11.23 tons of recyclable material — cardboard, paper products, plastic material No. 1-7 and aluminum cans — while only 1.81 tons went to the landfill. That’s an 86.11 diversion rate!

The Jardine Marketplace building, which includes JP’s Sports Grill, Quik Cats and Cornerstone Coffee & Bakery, received a LEED Gold certification in recognition of its many innovative sustainability features. Recycling is easy with the many one-stop drop bins located in each community. Move-in and move-out recycling programs and resources successfully redirect many tons of material away from the landfill.

Dining Services’ composting program earned K-State a Food Recovery Challenge Award from the Environmental Protection Agency Region 7.

Dining Services’ Farm to Fork initiatives allow it to source its beef and other meat products (when available) from Weber Hall on campus. Cow’s milk for drinking and use in our recipes is purchased from the dairy processing plant at Call Hall. Our baked goods are made with flours from wheat milled locally in McPherson, Kan., by Cereal Food Processors. We also purchase local, seasonal produce when possible.

**JP’s Sports Grill at Jardine Apartments is located in a LEED Gold certified building. It was built using reclaimed materials, and uses energy-efficient appliances.**
HOW TO SIGN UP FOR HOUSING
RESIDENCE HALLS

THE PROCESS (UPDATED!)

(Students must be admitted to the university with a verified K-State eID to complete these.)

OPTIONAL: COMPLETE THE HOUSING INFORMATION REQUEST FORM*
This is available in the Resident Portal beginning Sept. 15 and can be completed at any time. No payment is required. The single purpose of the Housing Information Request Form is to notify Housing and Dining Services that you would like to receive more information about the residence hall contract process that will begin in December.
*When the contract becomes available in December, this form will no longer be needed and will not be shown as an option in the Resident Portal.

STEP 1: COMPLETE THE RESIDENCE HALL CONTRACT
The residence hall contract will be available to complete beginning at 3 p.m. Thursday, Dec. 5, 2019. Students can then complete the contract and submit the minimum $230 contract payment. This amount consists of a $30 non-refundable processing fee and a refundable $200 initial payment. Contracts will not be processed or considered complete until the initial payment is made. A verified K-State eID and password is required to complete this process. If you have questions or concerns about the contract payment, please contact the Housing and Dining Services office for assistance. The date and time a student completes the residence hall contract will determine their place in line for the room selection process in May.

STEP 2: EXPLORE YOUR OPTIONS
Learn more about the options available to you and calculate your total room and board expenses in our Explore Your Options worksheet.
You can compare costs at a glance with our residence hall cost sheet.

STEP 3: CHOOSE YOUR LIVING EXPERIENCE
Residents who are enrolled in a Residential CAT Community will begin to choose their living experience April 15. All other new residents will begin to choose their living experience in May. Notification with your selection date and time will be sent to your K-State email in early April.

• After selecting a room and meal plan, students will know the exact cost of their room and an exact cost of their meal plan.

• Students may cancel for a full refund until June 1
  $200 cancellation fee June 2 to Aug. 21
  40 percent of remainder of contract after Aug. 21

• Changes can be made inside the Resident Portal until July 1, 2020. These include changes to hall, room, roommate(s) and meal plan.

We recommend getting in touch with your roommate to get to know each other and to coordinate what to bring — you don’t want to end up with two microwaves or TVs.

WELCOME HOME!
Residence halls open for occupancy in late August. Review your contract for move-in dates and times. We’re happy to have you!

STATEMENT OF DIVERSITY

Kansas State University’s Department of Housing and Dining Services is dedicated to creating a culture that welcomes and embraces students from all backgrounds. By constructing meaningful dialogues and educational programming within our on-campus communities, we strive to engage students and staff members in the exploration and celebration of identities that align with — as well as differ from — their own. Through our continued efforts, it is our mission to enable students and staff alike to develop greater cultural competence in order to foster communities of justice and inclusive excellence.

STUDENT LIVING MISSION

We will support students by engaging in collaborative relationships that encourage scholarship, community and self-discovery. By creating intentional environments of quality and care, we will enable students, faculty and staff to achieve excellence.
